- 4' Foot Bar Configuration
- 41 Inches Long
- 5000K Color
- 130 Lumens Per Watt
- Color Rendering Index >83
- 5 year Warranty

General Description

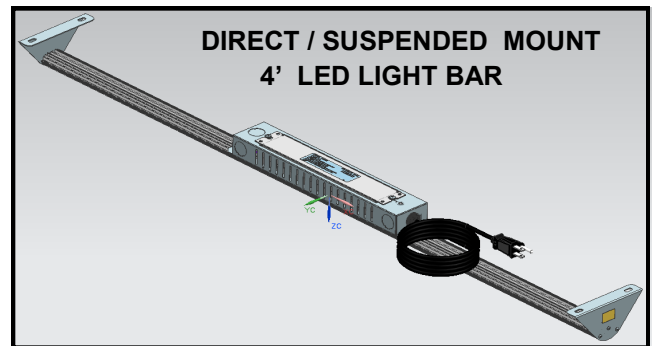

“DIRECT or SUSPENDED MOUNT”

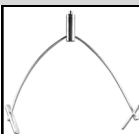

These high lumen Light Bar fixtures are typically mounted at least 8 to 12 feet above ground level. Weighing about 4 pounds, very light in weight and easy to install.

The “Ceiling Mount Brackets” offers direct mounting to the ceiling or suspended mount using our self leveling “Cable Suspension Kit” attached from the mounting brackets.

The Power Supply and Wiring Assembly is mounted directly to the heatsink bar for suspended mounting applications.

Ideal for use under ceilings where bright light, low maintenance, long life and high efficiency is required.

Indak's Cable Suspension Kits
 Offer fast cost effective installation and easy adjustment. Each kit includes:
 Two complete cable assemblies to hang one light fixture. **6' Cable PN# C86950**
15' Cable PN# M86950

High Efficiency LED 4 Foot Light Bar
